Dear Xanterra at Yellowstone National Park:

Congratulations on your selection as a recipient of a 2015 Department of the Interior (DOI) Environmental Achievement Award. The Environmental Achievement Awards recognize employees and partners for excellence in environmental management and performance.

You are receiving this award in the Good Neighbor category because of your commitment to the community and sustainable food efforts at Yellowstone National Park. Your exceptional achievements were particularly deserving of this recognition. Your nomination is featured on the 2015 DOI Environmental Achievement Award website at <http://www.doi.gov/greening/awards>.

Your inspiring efforts are a great benefit to DOI and the Nation. I am proud to have the opportunity to serve with dedicated environmental stewards such as yourself. Thank you for your outstanding work.

Sincerely,

Sally Jewell
